

```
void f2() {  
    int f;  
  
    ...  
}
```

```
int rangeSum(int lo, int hi) {  
    .....  
    f2();  
    .....  
}
```

```
int main() {  
    int total;  
  
    total = rangeSum(10, 20);  
    .....  
}
```
